

# Redirection of benefit payment form

Work and Income  
Te Hiranga Tangata

A service of the Ministry of Social Development

A redirection of benefit payment is where part or all of your benefit is paid to another person or organisation by the Ministry of Social Development. Requests for a redirection will only be approved in special circumstances and for good reason.

You will need to show us why you can not use other options, such as paying by direct debit or using your bank's automatic payment service.

The other person or organisation who receives your payments does not have any power to act on your behalf in relation to the rest of your benefit or other dealings with us. If you want to give extra powers to another person or organisation, you will need to complete an Appointment of Agent form.

## When you apply for a redirection of your benefit payment, you will need to:

- Give the reasons why you need to have part or all of your benefit paid to another person or organisation
- Tell us what other options you have tried and attach proof to support your application. For example, a recommendation from a doctor or budget advisor, a tenancy tribunal decision, proof from a bank that they will not provide the service you need (such as not allowing you to open an account or set up automatic payments)
- Attach proof of the bank account of the person or organisation that you want to receive your benefit payment
- Have the person (or a representative of the organisation) who will receive part or all of your benefit sign this form to show they agree to the redirection.
